

**FOR IMMEDIATE RELEASE**

## **GREYSTEEL PROMOTES DOUG BANERJEE TO SENIOR MANAGING DIRECTOR**

**March 19, 2019, Dallas, TX** – Greysteel, a national commercial real estate investment services firm, announced the promotion of Doug Banerjee to Senior Managing Director. Mr. Banerjee’s most recent title was Managing Director.

Mr. Banerjee leads the 13-person investment sales and structured finance practice spread between the company’s Dallas, Fort Worth, and Oklahoma City offices providing services to our clients throughout DFW Metroplex, Greater Texas, and the central part of the U.S. He is responsible for start-to-finish deal execution and arranging institutional, middle market, and private client multifamily transactions. In addition to his regional leadership role, Doug co-leads the national affordable housing practice and serves as a member of the Steering Committee, which provides insight to leadership of the priorities of transaction professionals throughout the country. In recent past, Doug has been instrumental in transacting nearly \$1.5 billion in total sales and structured finance volume and in 2018, we saw an increase of 128% over 2017.

Doug is incredibly passionate about community involvement, engaging in philanthropy because he understands our local communities have a huge impact on what we do. He actively supports multiple local and national charities, including the American Cancer Society, the Cystic Fibrosis Foundation, and the David Nicklas Organ Donor Awareness Foundation.

“Due to his leadership and excellence, coupled with his rapidly growing portfolio and having recently closed his largest deal to date, an 814 unit, two-property portfolio proves his success in the commercial real estate business,” said Duerk Brewer, Chief Operating Officer. “Doug will continue to be a key player in the growth of our company, from his mentorship to expanding our market share throughout the central U.S.”

Mr. Banerjee graduated from Virginia Tech where he received his Bachelor’s Degree in Materials Science and Engineering. He also holds a Certified Commercial Investment Member (CCIM) Designation.
